WOVEN WIRE • BARBED WIRE • SMOOTH WIRE • STAPLES • FENCE ACCESSORIES

Bull Barn Fence Corporation, founded in March 2020 by John McConnell whose lifetime experience with fencing culminated in manufacturing high-quality Class 3 galvanized, high-tensile woven wire fence. With a focus on high-quality products and responsive and knowledgeable customer service, Bull Barn Fence grew rapidly, adding smooth, coated, and barbed wire to the fencing line and necessary fencing accessories, such as staples, connectors, and brace kits. FastFENCER woven wire dispensers make for fast installations.
